"Forge thy tongue on an anvil of truth, and
what flies up, though it be but a spark,
shall have weight." --PINDAR

THANKS A LOT

... goes the Ernest Tubb song and its title theme more than adequately expresses my opinion following Saturday and Sunday.

There are so many individuals whose efforts helped make the Museum Day Celebration a tremendous success that it is extremely difficult for a chairman to list them all and say thanks to each. Not that the list would take so much space, but rather because I might leave someone out and that would never do.

Therefore, let me say "Thanks a Million" to each and everyone who had even a tiny part in this effort.

Doug Bohmfalk at the Hondo National Bank, who has served as our finance chairman all these years, tells me that gross deposits have reached some \$5,903.87 on Tuesday. "Of course," he hastened to add, "we have several expenses to come out of this amount, so we won't know the net figure until later. But it still looks like the best day we've had since it started."

Pig Auction

All the young girls in town who spent many a Saturday morning getting people to "feed the pigs" will be happy to know the four "very fat" pigs sold at auction for a total of \$427. Now, you can't beat that with a stick, not even a big one.

It was announced at the auction in the Purple Petticoate Saloon [by an auctioneer who we won't name] that Mrs. Judy Glasscock purchased the last pig for a total of \$231. Well, we must add to that Mrs. Judy [Woody] Glasscock and associates, the Medina County Pig Farmer Association, made the purchase. This group had sweetened the pot for the last pig and should get some of the credit for buying it.

Criticisms

Yep, we had criticisms all over the place Saturday, Sunday, Monday and I even caught a few on Tuesday morning.

As general chairman, I must accept the blame for those things that went wrong, those things that were just a little too right, and those things that weren't there at all.

I'll try to take some of them for explanation:

FOOD--We had no food booths to offer during the noon hour, simply because we had not planned for everything to get underway until 3 p.m. Then when the artists correctly insisted in setting up at 10 a.m. and the Chili Cook got off to such an early and bang-up start, we all of a sudden had plenty of people around during the noon hour and right after. But we had nothing to feed them.

Yes, we intended to sell the chili right after the original judging at 1 p.m. But several factors occurred that postponed the chili judging until 3 p.m. and by that time it was impossible to begin to sell the chili because of the mob.

Too, there was a communications gap between the chairman and the Lions Club which has sponsored the Hot Dog stand for the past three years. I understood as late as Tuesday the Lions would have a stand. And when I discovered my information was wrong it was too late on Saturday to do anything about it.

I will say there were hot dogs sold, thanks to the enterprising ladies of the Hondo Art League. They rushed madly downtown and bought buns and weiners and sold the heck out of them along with some coffee.

OTHER CONCESSIONS--During the afternoon we simply did not have enough booths of various kinds to satisfy the mob of people and especially the children. I thought we were to have balloons to sell, but somehow this did not materialize. The baseball dunk was scheduled but the Hondo FFA members had to attend a meeting in Fredericksburg, I believe. But had they been here, I am afraid the weather would have made it impossible to dunk anyone in cold water.

The weather had a hand in canceling the helicopter display and the parachute jumps, but the personnel of the Army National Guard did get to be on hand and enjoy the events.

The Hay Ride failed to materialize, but the Pony Rides showed up and although Ernest Bendele and his group were hidden by the chili cook area they managed to take in \$17.25 on pony rides alone.

I am sorry we did not have more events. You can't imagine [unless you attend the Museum Board meetings and hear me expound on making money] how disappointed I was to see all those people wandering around with money burning holes in their pockets and we had nothing to let them spend it on.

CHILI COOK--Being the first stab at one of these our handling of this event can stand several improvements. I think Bill Green and his committee did a terrific job under the circumstances, but I think they will agree that we need to sit down and take a long, hard look at the way we run next year's event.

There is no doubt but that this event sparked much increased interest in our annual fund-raising event. And I want to go on record thanking all local and out-of-town groups and individuals who participated.

But ... there were criticisms. Some of our people felt there was too much foul language around the chili cook area. In fact, one young girl told her parents: "Those people should have their mouths washed out with soap."

I agree that some of the people got "carried away" in what they considered a good time. But I frankly do not believe they harmed anyone; offended sensitive ears, yes, but not harmed. I would

***** Please turn to Page 2

AND A GOOD TIME WAS HAD BY ALL ... Milling crowds were the order of the day Saturday as the fourth annual Museum Day Celebration unfurled in Hondo. Here eager contestants and spectators jam around the judging table in the Chili Cook off. Jim

Fridle is on the mike and announced the winners, while Chairman Bill Green can be seen at the right. "We sponsored the best Museum Day we ever had," said Museum President Frank Graff in appraising the overall activities. "Our gross deposits reached more

than \$5,900 Tuesday and we expect a few more dollars in. But, let me explain we have some heavy expenses so our net figure will fall way below this. However, we still expect to come out with a net amount that will exceed anything we have ever done before." A final

wrap-up of pictures, events, sponsors, finances, and all will be given in the May 17 issue of the Anvil Herald. [Photo by Ted Mendoza]

CofC supports Highway plans

CONFIDENTIALLY ... This tiny tyke and the donkey at the Chili Cook area of Museum Day Celebration appear deep in conversation. And it is serious from the look on her face, but you can bet they got it talked out. [Photo by Michael Mendoza]

Say, man must you stop me!

He was a fast one, that driver on Avenue M Tuesday morning.

Blasting south on the wrong side of the busy street, he was stopped by Police Chief Jerry Williamson. But before Williamson could reach him, he whipped into a U Turn without giving a signal and headed north again.

Williamson yelled, but he refused to stop. So the Chief ran over and grabbed him.

But the three-year-old still on his tricycle held high off the ground by Williamson said nothing. He just kept pedaling away.

Escorted home, he doesn't realize how lucky he is in not getting hit on the street, nor being cited for driving on the wrong side of the street, making a U Turn without signal and fleeing from a police officer.

You just can't throw the book at a three-year-old no matter how reckless he drives.

Bippert third in state

A third grade student from Hondo, Monte Bippert, was named this week as a winner in Texas' annual Fire Prevention Poster Contest. The statewide contest promoting fire prevention and safety is sponsored by the State Board of Insurance with the cooperation of the Texas Association of Insurance Agents.

Young Bippert, a student at Meyer Elementary in Hondo, won third place among third grade students throughout Texas and was

Work on the project to four-lane U. S. Highway 90 through Medina County received another boost Monday when the Hondo Chamber of Commerce directors went on record supporting it as outlined by the County Commissioners' Court.

Judge Jerome Decker spoke to the directors at their noon luncheon and explained the resolution passed March 12 by the Court.

This resolution pledged the Court's cooperation in establishing

location and the acquisition of the necessary rights-of-way for four-laning the main east-west artery.

"The job will be done in segments," Judge Decker told the group, "and it contains no plans for by-passing any town in the county. A project like that will be far down the line Highway Department officials told us."

First segment in the project would be extending the four lanes

from the Bexar County line to the east city limits of Castroville. The four lanes would pick up again west of Castroville and extend to near the Hondo city limits at a point near State Highway 173.

It would then remain on its present location through Hondo, with this being widened and improved, like left turn lanes where needed.

West of Hondo it would pick up again and extend to the Uvalde County line.

"Such a project would have to be completed in segments," the Judge explained to the directors. "And it could be a long, slow process."

He explained that the Court's resolution has been submitted to the Highway Department which will work up plans and cost specifications on the initial segment.

"We plan to utilize some of our Revenue Sharing money for the right-of-way," Judge Decker said. "That is, if we have Revenue Sharing by the time the project is to begin. But there is also a possibility that before the entire project is completed we will be forced to use other monies."

Other Chamber Action

Directors took under advisement a plan to provide a Welcome Wagon for newcomers in Hondo. They will coordinate the project with the Hondo Retail Merchants Association.

An appeal was made to non-paying members to "please get your money into the Chamber office. You signed a pledge card to join and we certainly could use the payments."

Amended city budget shows city to be in black

An amended budget for the fiscal year ending June 30, 1973 was approved Tuesday night by the Hondo City Council and it should leave a better taste in the mouths

of residents than did the regular budget when it was adopted and showed a deficit.

This amended budget shows an estimated total balance of some \$144,360 in the black come June 30 at the time it was adopted Tuesday night. Subsequent expenditures will reduce this amount accordingly.

"Everyone needs an amended budget," Mayor J. G. Barry told the Council in presenting the document. "Even a household budget has to be amended."

Estimated balances in the various departments as of May 31 of this year show: General, \$4,274; Air Field, \$423; Water, \$23,190; Electric, \$33,993; Post Office (rent), \$1,197; and Revenue Sharing \$61,283. These figures do not include some \$20,000 the City will transfer from the Hondo Development Corporation account after Tuesday night.

Revenue Sharing

Revenue Sharing and insurance will fall under the spotlight Tuesday night, May 15, at a special meeting of the Hondo City Council called by Mayor J. G. Barry.

"We need to look closely at both of these subjects," he told the Council Tuesday night.

The Act which created Revenue Sharing calls for specific reports to be made by the Council and submitted to the Federal government after being published in a newspaper. These reports are not being called for and the Council must prepare them.

The initial will show the planned use of the Revenue Sharing Funds, and then a final use report will be submitted when the money is spent.

On the insurance subject, the Mayor pointed out that at the present time the city is paying out some \$24,000 in insurance premiums. "We need to know if we are adequately covered on all our buildings, equipment and personnel, or if we are over extended," he pointed out.

Councilman Bud Gwartney recommended that it might be feasible and logical for the city to obtain the service of an insurance lawyer to study its insurance programs. He also suggested that the City Auditor be consulted or present when Revenue Sharing fund spending is resolved.

The City has spent \$500 of this money on the Hondo Public Library, \$500 on the new park along 18th Street and voted Tuesday to spend \$14,500 on a new maintainer.

Discussion Tuesday night also covered the possibility of spending \$11,500 more on the maintainer from these funds, and to determine if a new sewer treatment tank can be paid for from these funds.

OUTSTANDING STUDENT ... Terri Young, eighth grade daughter of Mr. and Mrs. Burnis Lawrence, is shown with Band Director Billy Harrell holding the first annual Outstanding Junior High Band Student Award. Terri received the

first award and has her name on the first square of the big plaque. Director Harrell also presented her with a smaller award at the McDowell School Band Concert Thursday, May 3.

Letters from the mailbox

Dear Mr. Lawrence:

Over 500 persons registered at the Museum on May 5th showing enthusiasm over the fine display of historical items of our county.

We feel your vision of four years ago and your continued fine coverage of each year's progress in the Anvil Herald has had a great influence on the interest in the improvement of the Medina County Museum.

We must add the hard work of the directors has given our town a place to show with pride to visitors and residents of Hondo. And of course many thanks to the many contributors of pioneer items. Keep them coming.

Mr. and Mrs. O. M. Redus
Host and Hostess Museum Day

Dear Mr. Lawrence:

An impressive 2.5 million individual tax returns were filed in the Austin IRS District during the

recent filing period. What else is impressive is that almost all of them were filed on time--and in good order! We're grateful to our southern Texas taxpayers for a grand tax filing job.

We're also grateful to you and your good staff people at the Hondo Anvil Herald, the Sabinal Times and Waelder Home Paper. You helped make our 1973 filing period a great success by getting tax information to folks in these areas.

Thank you so much.

Sincerely,
R. L. Phinney
District Director

Dear Mr. and Mrs. Pletz:

I feel it would be inappropriate at this time to make specific comments on detailed proposals to grant aid to North Vietnam. Once the prisoners-of-war are returned and a reasonable accounting for our missing in action is made, and once the

President submits to Congress, as he must do, his plan for post-war aid to Indochina, I will evaluate it carefully and respond to the proposals.

I can, however, say this about potential aid to North Vietnam. I would be opposed to such assistance unless the North Vietnamese show a willingness to let their neighbors live in peace. Under no circumstances would I support aid through multi-lateral organizations. I also would not be in favor of generalized aid; rather, I feel we should support specific reconstruction projects, aimed as much as possible toward humanitarian goals.

I appreciate your interest in my views on this matter. If I may be of further assistance, please let me know.

Sincerely yours,
John G. Tower

(Editor's Note: George and Evelyn mailed senator editorials on this subject from the Anvil Herald. This is his reply.)

Puerner's corner

Rep. John Poerner

Texas has a growing economy with a continually changing labor market, thus constantly issuing an increasing challenge to young people entering that market. To early acquaint the student with the diverse fields of opportunity from which he or she may choose an occupation, I have proposed a resolution, (H.C.R. 77), that would develop a plan for introducing vocational education at the junior high level.

Currently, vocational education is serving over a quarter of a million Texas students, primarily in the high schools. I feel that if the program were expanded into the lower grades (7, 8, 9), then these students would be better able to plan their high school program as well as learn valuable skills for summer employment while in high school or full time employment in later life. This program would prove invaluable to students planning to pursue higher education as well as those entering vocational fields.

My resolution was adopted last week by the House and sent to the

Senate where Senator Oscar Mauzy is the sponsor. I feel confident that this resolution, if enacted, will establish Texas in the forefront of vocational-technical education.

DRIVE FRIENDLY

The House also passed last week a resolution, (H.C.R. 73), that would adopt "Drive Friendly" as the official state traffic safety slogan. The Department of Public Safety believes that the slogan has had a marked influence in reducing the number of traffic fatalities per passenger mile. The 1972 average was one of the two lowest since 1937. Vigorously promoted, this slogan can be a great aid in our traffic safety program.

TEXAS RANCH

Another House action passed a bill, (H.B. 574), that would create a "Texas Ranch Commission" in Washington, D.C. The "ranch" does not involve any state or federal funds and would serve as an educational and information center. I feel certain that the Texas delegation in the Capital

city would welcome the center as a convenient place where they can meet with visiting constituents to talk about "Texas".

BIG THICKET

House approval also was given to a resolution, (H.C.R. 53), memorializing Congress to pass legislation creating the Big Thicket National Park. The Big Thicket, one of nature's last untouched forests, supports many varieties of birds, animals and plants that are nearing extinction in other parts of the nation. Despite several amendments to the contrary, the resolution was passed with no limit on the size of this woodland area.

CHAMBER CORNER

By Lillian Porter
Executive Secretary

Pottsdam (that's in New York) is calling for help!

Dear Director (City Library)

I need help in regard to the names Medina and Hondo. Would you please give me the origin of the name Medina? Kane, in his The American Counties, says that it was named for a sergeant-major in Ponce De Leon's expedition. There must be more than that, I hope.

Also, I would like to find out the origin of the name Hondo, for whom it was named, if anyone, and the date of that person's life.

If there is someone else who can supply this information I would appreciate it very much if you would pass it along.

Most Sincerely, Kelsie B. Harder, Professor of English, State University College, Pottsdam, New York.

And more.

Dear Sirs:

Please send me a street map of Hondo. I need this for biographical background. Thank you very much.

Sincerely, Mrs. Isaac J. Levine, 6770, Fair Acres Lane, Cincinnati, Ohio.

And still more!

Dear Mrs. Porter:

We want to thank you for the complete packet you mailed to us last month. We deeply appreciate all the time you spent compiling it. Jim is presently in the T-41 program in Lubbock and he has the opportunity to following the program to Hondo.

We understand that few houses are for sale and that there are few rentals available. Jim and I do not wish to live in San Antonio. We thought you might be able to give us some information about houses for sale and apartments for rent. Is a mobile home our only answer?

We would deeply appreciate any information you might have which would help us in making our decision.

Also, do you have a kindergarten in your school system or any paid kindergarten in Hondo? Our son was five on February 12 and since he is an only child we feel kindergarten is important for him.

Thanking you, Mrs. James R. Glasgow, 5211 47th St., Lubbock, Texas 79414.

This office received a generous donation from Mr. and Mrs. Robert Bende for helping them rent their mobile home. Thank you Mr. and Mrs. Bende.

Larry Gruenberger, Union Grove, Wisconsin, has been living in Hondo the past four months. He is with Allis Chalmers. He came to the office Thursday (last week) for more post cards which will be distributed on their way to Phoenix, Arizona and then back home to Wisconsin. Larry paid Hondo the highest compliment in

More about . . . Sparks

Cont'd, from Page 1

hope that next year we can persuade them to tone it down.

Antique Auction

Sunday's Antique Auction turned out great. We could have used more bidders, especially out-of-town bidders, but it was well attended and I think made as much, if not more, money than any we have held. And this, despite the fact many of the items had to be bought by the Museum and then auctioned with hopes of making a profit. Also some of the items were sold on commission. Combined, these will tend to drop the net profit, but we still did great.

I want to tell Frank Graff that I now think the location was a good one, and the organization was excellent. I'll admit that I was reluctant when we voted to hold it on Sunday and at the 4-H Show Barn. But now I think the Board made a wise decision.

In connection with this, I think Frank would like for me to say a special "thanks" to Lloyd Hardt and his staff at the Hondo Livestock Auction for all the invaluable help they gave and the use of all of their facilities.

Hopes For Next Year

My feelings are that we should change many things [with an eye toward improvement] for next year's celebration, and several persons have expressed similar sentiments.

I feel certain we will go back to a 10 or 11 a.m. start and plan more events. We'll definitely work out the eating problem.

Much sentiment has been expressed for a parade, and I sincerely hope this can materialize. There has been interest expressed in a Quarterhorse Show and I think this is great. And I wonder if the Hondo Lions Club would consider sponsoring their Miss Hondo Contest on Thursday evening of that week and let her reign over the festivities? Then something can be planned for Friday and Friday night, the Celebration on Saturday and the Auction on Sunday. Then we can say Hondo has a Celebration!

Can Get Better

We have held some excellent Museum Day Celebrations and this year proved there is every reason to believe they can get better.

The Chili Cook and Bread contest were new this year and sparked a terrific upsurge of interest and all other events improved.

Special Plea

So now I want to make a special plea to all Hondo and area residents. Next year we are going to need more help on booths and activities. This is one of the biggest things that ever happened to this area and through more cooperation and combined effort, we can make it even more outstanding and thereby support a fine Museum to preserve the history of our county and area.

TO THE SURPRISE

... of very few people, I suppose, John Connally changed political banners last week. He announced himself more closely aligned with the philosophy of the Republican Party than with the party whose banner he carried to this high point where he could springboard to the back of the elephant.

This really comes as a personal disappointment to me. I had hoped that Connally could be the man on the white horse who could restore some sanity to the Democratic Party.

I don't mean I have given up hope on the Democrats. Perhaps they will find a strong, sensible leader for the next presidential election. But from looking at the field of candidates right now, it would be more of a surprise if they do than was John Connally's change.

The biggest surprise to me on Connally's announcement was the timing. Sincerely, I thought the Watergate mess would have caused him to hold off for awhile.

I think it will hurt him or any Republican who seeks office in 1976. It will be a scandal the Republican Party will have a difficult time living down. And I think it will get worse in the next few weeks and months.

It is hard for me to convince myself that President Nixon actually had prior knowledge of the plan. This is really a hope because of the Presidency. However, some of the more recent testimony certainly seems to contradict this hope.

But regardless of that fact, I firmly believe one thing:

Those people running a candidate's political campaign will go only so far as the rules that are laid down by the candidate will allow them to go. If a candidate will lay down the law that the first one caught in a hanky-panky situation will be exposed and fired, then I think they would think twice before committing a Watergate.

So in the long run I believe he could have prevented this mess which has slapped our country with a black eye around the world.

saying "Hondo's greatest asset are the wonderful, friendly people who made their stay more like a vacation. He, his wife and five-year-old daughter hope to come back to Hondo in the future.

Sis McDade left a clipping under the door saying: "King's Country is God's Country." Every-one feels their little part of Texas is God's Country--and that is as it should be.

Merle Groenwald, Regional Marketing Manager for Chrysler Corp. from

Minneapolis, Minn. paid a visit to our office. He is looking for someone interested in taking over the area franchise for Chrysler Motors.

The Camp Fire Girls Carnival turned out great--they served 408 persons at the barbecue.

Letters answered last week included ones to: Riley C. Armstrong of Dickinson, Ron Strong of Houston, Charles Stupka of Rosenberg and Mrs. James Glasgow of Lubbock.

Notice of the Names of Persons Appearing as the Owners of Unclaimed Amounts Held By:

THE HONDO NATIONAL BANK

P. O. DRAWER 340- HONDO, TEXAS 78961

This notice is given and published pursuant to Section 3, Article 327b, Revised Civil Statutes of the State of Texas, in an effort to locate persons who are the depositors or owners of amounts in accounts that have remained inactive for more than seven (7) years.

The unclaimed amounts due the depositors or owners listed herein will be paid upon proof of ownership at the office of the named depository within nine (9) months, and if unclaimed thereafter they may be subject to report to and escheatment to the State Treasurer in accordance with said Article 327b.

HISTORIC MOMENT . . . for Hondo FFA students came when these three members of the Hondo Chapter took second place in the State Dairy Judging Contest held at Texas A&M University. Shown are Dr. Charles Dill, Dairy Science Department, Texas A&M; Gary

Saathoff, Bobby Tschirhart, Pat Stein and Hondo FFA Advisor J. D. Schmidt. This is the highest showing every achieved by a Hondo judging team. Tschirhart was eighth in State individual scores for Dairy Judging.

Plan adopted for presentation

An orderly method by which Hondo citizens can present ideas, problems, proposed projects or complaints to the City Council was proposed Tuesday night by Mayor J. G. Barry and accepted by Council members.

The proposal as presented by the Mayor does not preclude the right of citizens to speak or present petitions, but it would provide a means by which problems can be presented and acted upon in a satisfactory manner.

Anyone wishing to present a proposal, air a problem or voice a complaint to the Council must notify the Council at least a week in advance of the regular meeting.

"This way," Mayor Barry said, "we can have time to study the proposal and be able to give that person or group of persons a more thoroughly studied answer than we could on the spur of the moment."

"The adoption of this plan in no way is intended to infringe upon the rights of the citizens to speak at a Council meeting," the Mayor explained in presenting the plan.

Other Action

* The Council unanimously elected G. E. (Pete) Pedroza Mayor Pro-Tem.

* Adopted a resolution support-

ing the national ROTC program.

* Gave approval for Mayor and City Manager to sign agreement with the Texas Highway Department a contract on the traffic gates to be built at the railroad crossing on Castro Avenue. The Council last year approved the City's \$2,500 portion of the cost of installing these.

* Agreed to meet with the Commissioners Court to appoint members to the Hospital Board.

* Re-appointed Frank Sandoval, Jr. and Felix Reyes to the Planning and Zoning Commission.

* Accepted the bid of Blackwell's Gulf Service Center for a Service Contract on vehicles of the Hondo Police Department.

Rain costs taxpayers

Rain has been a problem to the operation of the City of Hondo, just like it has to area residents for the first part of this year.

But the main thing, it has caused the city money.

For instance: Last month the Water Department pumped 31,000,000 gallons of water as

compared to 49,000,000 the same period in 1972. "You can believe this cut down on revenue," said Superintendent Elmer Faseler.

Street Superintendent Lloyd Hermes reported the rain caused many delays in curb and gutter projects as well as paving. "And it cost us some money to repair areas damaged by rain," he added.

Electric System Manager Fred Johnson said the rain "caused our sales to plummet downward, also." In fact, he said that sales were down some 200,000 KWH over the same period last year.

Pvt. Jordan completes basic

Ft. Polk, La. — Army Private Thomas S. Jordan, 17, son of Mrs. Alva F. Jordan, 2906½ Avenue I, Hondo, recently completed eight weeks of basic training at the U.S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and Army history and traditions.

Private Jordan served with Company B, 3d Battalion of the 2d Brigade.

Crop damage worse

Medina County crops suffered heavy losses as a result of the weather during the month of April. The freeze on April 8, combined with cold wet weather afterward, is now being felt by county farmers in the form of heavy damages to wheat and corn crops, reports County Extension Agent Glenn Bragg.

An estimated 70% of the wheat crop in the county was lost. Out of 17,000 acres to be harvested, 11,000 acres have been lost. At an average yield of 30 bushels per acre the loss amounts to 330,000 bushels.

Approximately 6,000 acres of irrigated corn in the county had to be replanted as a result of the freeze and subsequent wet, cold weather. Plant losses would have

been much lower if the wet spell had not followed the freeze.

Hail has also taken its share of crops in the county. April losses due to hail are estimated at 1,200 acres of corn, 1,400 acres of grain sorghum, and 2,400 acres of small grains.

But even with this damage it looks as if oat crops will produce better-than-average yields.

Most of the 80,000 acres of grain sorghum still looks good. However, weeds are a serious pest as the grain sorghum and corn have grown slowly, and county producers were not able to cover the weeds. As a result many county producers are spraying their crops to control weeds.

For your info: Hondo is cheaper

There are some residents of Hondo who are prone to complain regularly that "there electrical cost is too high in Hondo." Are you one of them?

If so, perhaps some figures presented by Electric System Manager Fred Johnson Tuesday night would be of interest.

"Based on 500 KWH," Johnson told the Council, "Hondo electric users pay \$15.14. Some cities in the area pay the following: Coleman (population 6,500) \$17.33; Pearsall (5,500) \$17.15; Devine (3,500) \$17.15; Uvalde (11,016) \$17.15; Sonora (2,600) \$24.58."

Johnson pointed out

that the average cost of this much electricity in 11 cities ranging from 55,000 down to 2,600 population is \$16.69.

"Hondo falls \$1.55 below this average," he added.

One note that Johnson did not bring out but which was revealed in an amended budget offered by Mayor J. G. Barry was the fact that so far during the year \$123,300 has been transferred from the electrical fund into other city funds, thus placing a high burden on city operation on the money made by this system.

Johnson added that the rates charged by Hondo and the above listed cities cannot be compared to rates charged by cities, cooperatives or utilities which are in turn supplied by Federally funded or subsidized power producers such as the Lower Colorado River Authority, the Tennessee Valley Authority or any other agency which is supported by Federal taxes of which we all pay our share. This makes that power much cheaper than privately owned, or municipally

owned power.

Some nearby cities which fall into this category include: Kerrville, New Braunfels, San Marcos and Seguin.

THANK YOU

Museum Day Celebration 1973 was a huge success.

The reason it was lies with all the volunteer help given by many, many people, either as individuals or in groups.

And Don't forget the hundreds of people who came and enjoyed themselves and spent money in doing so.

TO EACH AND EVERYONE, WE SAY 'THANK YOU VERY MUCH !

Blackmon-Hobbs vows exchanged

Robert James Hobbs and Geneva Louise Blackmon were married April 27 at 5:30 p.m. by Justice of the Peace Ed Jennings in Pipe Creek.

The bride's parents are Mr. and Mrs. Elliott Perry of Pipe Creek, and the groom's parents are Mr. and Mrs. Kenneth Anderson of Tarpley, and Robert Hobbs of Refugio, Texas.

After the wedding, a reception was held at the home of the groom's parents in Tarpley.

Following their graduation this month, the couple will move to Alice where both will be employed.

Robert is a former resident of Hondo attending school here from the seventh through tenth grades.

Mr. and Mrs. Robert James Hobbs

4-H Leader meet set

A District-wide 4-H Clothing Leader Training meeting has been scheduled for Wednesday, May 16, at 10:15 a.m. in the Community Hall in McCreless Shopping Center in San Antonio.

Miss Meta Hodge, 4-H Club Stylist for the Simplicity Pattern Company, will discuss new fashion trends, grooming suggestions and how total appearance can affect today's teens toward their potential as tomorrow's young adults.

Miss Hodge, a resident

of Delran, New Jersey, was a 4-H member for ten years, and before joining the Educational Division of Simplicity, she was a Home Economics teacher in Bellmawr, New Jersey.

Mrs. Lynn Weakland, "Wendy Ward" Director of Montgomery Ward, will speak at 10:30 a.m. She will present a program on modeling, poise and charm.

All Medina County 4-H Clothing Leaders are urged to attend this informative and educational program.

Shower honors Cathy Carter

Cathy Carter, bride-elect of Alfred Haby, was honoree at a personal shower Saturday morning, April 21, at the home of Mrs. Samuel D. Moss.

Mrs. Floyd Steubing and Mrs. Tommy Fitzpatrick were hostesses for the occasion.

On the beige crocheted tablecloth were blue and white carnations, chosen colors of the bride,

displayed with baby's breath and centered with a bride. Games were played and all prizes were presented to the bride.

Refreshments of juice, doughnuts and coffee were served to 13 guests and Miss Carter. Receiving with the hostess and Mrs. Moss were mothers of the bride and groom, Mrs. Roy Carter and Mrs. Olen Haby.

This week

All she wrote

by Edna McDade

These scattered remarks are being assembled in Hondo where I am "back home" for my third visit since I moved to the Coast last June. If it be true, as H.W.L. said, that "home-keeping hearts are happiest", mine must be in a state of ecstasy, equally divided between Hondo and Corpus Christi.

I spent two afternoons in the ANVIL HERALD's old press room, "living in the past" as I pored over the bound files of this newspaper's recorded history-in-the-making. Some of my findings will furnish grist now and then for these weekly observations.

Example: In 1923 [half a century ago] Mother's Day occurred on May 13th, as it does this year. The day was marked by special church services and family gatherings honoring mothers on their [so-called] "day of freedom".

A few ads suggested gifts "suitable for the occasion" but crass commercialism had not hit with the emphasis placed on "gift opportunities" as we know them today.

Pity the mamas who are sort of taken for granted 364 days out of the year and suddenly come into family focus on the second Sunday in May!

This, if you are interested, just so happens to be The Year of the 17-year locust whose population explosion hit its last high in 1956.

Since that time, say entomologists, eggs from over one million locusts to the acre [so who counted 'em?] developed into larvae, went underground, started their normal growth cycle, and will begin their ceaseless shrill serenade about the end of May.

Gives a body something to which to look forward in the merry month of May. Maybe, depending on your acoustical z-z-z-z-z tolerance.

Along with the locust sound effects, the happy voices of graduating HHS seniors will soon be heard in the land.

I've been told that at least three of them will be entering Del Mar College, CC, come this fall.

They are Nancy Haile, Debbie Howard and Maureen Pope, all of whom plan to become dental technicians. They are the modern day Florence Nightingales, who help make visits to the dentist less ouch-ful.

Doubtless, many Hondo grads will be moving to their new scholastic homes by summer's end.

For them it will be what the Pennsylvania Dutch and Amish folks of Lancaster County call "Flittin' Day", annually observed during the first weeks in April when they occasionally move from one farm to another in search of "greener pastures".

I attended a meeting of "Weight Watchers" here and was amazed at the women who were becoming almost the traditional "shadows" of their former selves.

Most becoming, too, and all were happy about their "metamorphosis" which is a sort of password indicating promotion from second and third helpings and tempting desserts to "no-no-no-not for me!"

Rosebush-nappers are at work in this community. This appears to be a newly-organized "low" in what might be called petty thievery although the victims would be justified in supplying their own definitions.

Rosebushes have been removed from graves in the Oakwood Cemetery, and the yards of several residences in Kollman Oaks as well as within the city.

It will probably take something sharper than rose thorns to prick the conscience of the guilty.

Texas is getting bicentennial-minded and now is the time for all good Texans to come to the aid of the "party" of celebration.

Governor Briscoe has appointed Dr. Joe B. Frantz as his special adviser and has urged "every city and town in Texas to join in the project through which all Texans can reaffirm their faith in our great Nation and fully understand the spirit and meaning of the American Revolution."

-This is where our ancestors came in, remember what the history books say?

A coastal tv station features a man-on-the-street quiz on topics of the day.

In a recent quiz, the question was "What is your opinion of the Watergate situation?"

One woman [bound for her] seemed flattered to be asked but was a bit flustered. Her reply?

"Oh, I think it's good because we need lots of water and I hope everybody will vote for it. I'm going to!"

-So endeth this week's commentary!

Here in Hondo

Mr. and Mrs. G. O. Braden returned home Monday after spending a week in Jacksboro, Texas. While there, they made the acquaintance of John Robert, son of Mr. and Mrs. Steve Hartmann. John arrived at Baptist Hospital on Monday, April 30, 5:10 p.m. weighing seven pounds and was 19 inches in length.

On hand also to welcome him home was his brother, Edward, who is two years old. Mrs. Hartmann is the former Georgia Braden of Hondo.

Other grandparents are Mr. and Mrs. Francis Hartmann of San Antonio, maternal great-grandfather Louis Rucker of Hondo, and paternal great-grandmother Mrs. Hartmann of Fredericksburg.

Rhonda Graff attends Literary Meet

Three Medina County high school students placed in the Region IV-2-A Literary Meet held April 14th at Texas A&I University.

Rhonda Graff of Hondo took third place in Girls Persuasive Speaking.

Placing second in Editorial Writing was Arlene Tschirhart of Medina Valley High School.

Another Medina Valley student, Sandra Stinson, placed third in Poetry Interpretation.

MARY-RENE'S

Party honors Mrs. Conrad

Mrs. John (Katherine) Conrad was honored with a birthday dinner on April 29th following her 96th birthday which was observed April 27th. Hosts were the children and grandchildren at her home in Devine.

Guests included Mrs. Agnes Spear and Maurice,

Mr. and Mrs. Edwin Conrad, Mrs. Bess O'Connell, Eddie Conrad and son Alex, Mr. and Mrs. Ray Mulholland and children Ray Dean, Michael and Dee Ann, Mr. and Mrs. Andrew (Gorman) and son Randy, and daughters Sandra and Debbie and friends, Mr. and Mrs. J. E. Spear and children

Jakie, Jeanen and Jerome, Mr. and Mrs. Harvey Spear, Mr. and Mrs. Albert Salzman of San Antonio.

Also, Mr. and Mrs. Randy Schott and children, Miss Frances Haller of Natalia, Mr. Louis Salzman of LaCoste, Mr. and Mrs. Jack Meitzen of Cuero, Mrs. W. R. Dobbyn of Baltimore, Md., Mr. and Mrs. James Allen Spear and children of Somerset.

Other guests included Mr. and Mrs. Frank Conrad, Mr. and Mrs. Arthur Conrad, Mr. and Mrs. Alex Conrad, Miss Olga Conrad and the honoree, Mrs. Katherine Conrad, of Devine.

The birthday cake was baked by Mrs. Alex Conrad. The candles were lighted and "Happy Birthday" was sung by the younger set consisting mostly of great-grandchildren.

RECENTLY MARRIED Miss Brenda Kay Masters, daughter of Mr. and Mrs. George Masters of Dunlay, became the bride of Sidney Wayne Stuebing on Saturday, January 27, at Moye Chapel in Castroville. Sidney is the son of Mr. and Mrs. Claude Stuebing, also of Dunlay. Father Larry Stuebing of St. Louis Parish officiated. The couple is now making their home in Dunlay.

Former Yancey woman honored

Lucille Rutledge of Kenedy was selected "Woman of the Year" from

that city at the Jaycee and Jaycee-Ette Award Banquet held in April.

She was selected for the honor because of her widespread school and church activities in Kenedy, including PTA, cub scout, Little League, Salvation Army, Wesleyan Guild, Methodist Youth Group and Progressive Study Club.

The citation listed her civic contributions, but emphasized especially her "graciousness, humility and Christianity".

Mrs. Rutledge is the daughter of the late M. M. (Mitt) and Addie Burgin Bandy, formerly of Yancey.

Baders return from trip

Mr. and Mrs. O. J. Bader returned home last week from a three-week stay in Albuquerque, New Mexico with their son-in-law and daughter, Dr. and Mrs. Edward L. Saiers.

While there, the Baders attended the marriage of their grandson, Larry Saiers, to Miss Nancy Nelson of San Francisco, California and Camden, Tennessee.

Larry is an economic advisor for the U.S. Department of State, and the newlyweds will make Accra, Ghana, West Africa their home, where Larry is currently based.

Also visiting in the Saiers home during the Easter holidays were the Baders' other son-in-law and daughter, Mr. and Mrs. Fred Fuhrmann of San Antonio.

Otto Balzen dies at 74

Otto Theodor Balzen, 74, died April 29, 1973 in Port Lavaca, Texas. Born in Quihi July 21, 1898, he lived in the Hondo area until 1947, and since then in Port Lavaca. He was a plumber by trade.

He was born to Herman Balzen and Anna A. Oefinger Balzen, who precede him in death. In 1921 he married Novella Heyen in St. Paul Lutheran Church. She died in 1943.

Seven brothers also precede him in death: they

are August, Mimke, Herman, Louis, Paul, Wilhelm and Walter Balzen.

Funeral services were held May 2 at Guinn-Horger Chapel in Hondo with Rev. A. M. Hannemann of St. Paul Lutheran Church, Hondo, officiating. Interment was in the Quihi Cemetery.

Pallbearers were Leroy Hermes, Lloyd Hermes, Hubert Hermes, Wilfred McGarvin, Kenneth Heyen and Bobby Heyen.

Funeral arrangements were by Guinn-Horger Funeral Home in Hondo.

4-H CLUB NEWS

Thirty-eight Medina County 4-H members participated in the District 13 4-H contests in Uvalde Saturday, April 28. They were accompanied by approximately 15 parents and the County Extension Agents.

The Junior Soil Evaluation team received a first place. This team consisted of Ray Lutz, Paul Aelvoet and Nancy Martin from Hondo and Richard Muenink from Dunlay. The Senior Soil Evaluation Team placed second. The team is composed of Andy Aelvoet, Andy Gilliam, Tim Gilliam, and Kay Martin, all from Hondo 4-H Clubs.

In Rifle competition there were also two teams entered. The Junior team placed second. On this team were Doug Cole, Chris Cole, Johnny Kalinowski, from Hondo; and Curtis Boehme from Rio Medina. The Senior Team is composed of Curtis Schrader from Hondo and Mike Hayter, Francis Haby and Gary Stein from Rio Medina.

In the Share-The-Fun competition the Natalia team, consisting of Laurie Hartley, Lynn Fowler, Betty Pruitt, Donald Gardner, Clinton Elliott, Lisa Fowler, Bryan McDonald, Andy Walker and Mary Hartley, placed third.

There were also several Medina County teams and individuals competing in method demonstrations. Lesley Muennink from Hondo placed third in Junior Clothing Educational Activity. Clay Smith and Scott Howard from Devine placed third in Junior Farm and Ranch Management. In Junior Field Crops, Vincent Ney and Charles Nester from D'Hanis received a first place.

Keith Saathoff and Larry Bohmfalk from Hondo placed first in Junior Natural Resources. In the Junior Division of Poultry Marketing Beverly

Graff and Angela Braden from Hondo placed third. Judy Hayter and Janet Mangold from Rio Medina placed second in Junior Safety. In the Junior Vegetable Preparation and Use, Sandra Moos and Vicky Gilliam from Hondo received a first place.

The following teams competed in Senior Method Demonstrations. Lynda Howard and Deanna Howard from Devine placed first in Beef Symposium. In Poultry Marketing Denise Saathoff and Paula Moos from Hondo placed second. Jeanette Aelvoet and Mariette Aelvoet from Hondo placed first in Vegetable Preparation and Use. All the Senior teams who placed first or second in their contests will go to state competition in College Station in June.

So. Unit I
South Hondo Unit I met April 2nd with Andy Gilliam presiding.

The prayer was given by Beverly Graff, motto and pledge by Brett Bader, roll call and minutes by Jo Ann Coffey. Demonstrations were given by Vicky Gilliam and Sandra Moos on Zesty Fresh Vegetables. Jeanette and Mariette Aelvoet presented Put Some Kraft in Your Life.

Keith Saathoff and Larry Bohmfalk's demonstration was on Bird Feeders. Angela Braden and Beverly Graff gave a demonstration on Poultry Shopping. Jo Ann Coffey gave a Horse Club report. A bicycle report was given by Timmy Gilliam.

Officers were elected. Vicky Gilliam was elected girl co-chairman. Timmy Gilliam was elected boy co-chairman. Jeanette Aelvoet and Andy Gilliam were elected Council Delegates.

Recording secretary is Joy Heilgman. Jo Ann Coffey is corresponding secretary. Judy Heilgman was elected treasurer.

Andy Aelvoet parliamentarian, and Anna Buescher was elected reporter.

On June 11 a County Leadership Day will be held at Hondo City Park.

Rifle Team
Chris Cole was top marksman with Douglas Cole second in the Junior Division Saturday, April 28, at the District 13 Rifle Contest in Uvalde.

The Medina County Junior Rifle Team placed second in District. Team members were Johnny Kalinowski, Chris and Douglas Cole of the Hondo 4-H Rifle Club and Curtis Boehme of the Rio Medina 4-H Rifle Club.

The Medina County Senior Rifle Team placed fifth in District. Members were Curtis Schrader, Mike Hayter, Francis Haby and Gary Stein.

The two teams were under the direction of adult leaders Darwin Schrader and Eugene Reinartz of the Hondo Club and Alton Stein of the Rio Medina Club.

Art League to meet

The Art League of Hondo will hear Mrs. Emmett (Jerry) Koll-

man in a demonstration of ceramics at their monthly meeting Monday night, May 14, at 7:30 p.m.

Engagement

Mr. and Mrs. Abel Martinez announce the engagement and approaching marriage of their daughter, Gloria, to Richard S. Tovar, son of Mr. and Mrs. Trinidad Tovar of Yancey.

The bride-elect is a graduate of Juventud Business School of Piedras Negras, Coahuila, and got her diploma at Tech High School in San Antonio.

The bridegroom-elect is a graduate of Yancey High School. He was employed five years at HEB Grocery before being transferred to HEB in Lockhart.

Plans are being made for a June wedding.

Natalia Club Meets

New officers for the ensuing year were elected Tuesday night at the Natalia 4-H Club meeting that was held at the school cafeteria. The meeting was called to order by Co-chairman Carl Gardner.

The 4-H Pledge was led by Mary Hartley. Lisa Fowler led with the Motto. Darwin Schrader and Mrs. Gaye Bippert, County Home Demonstration Agent, met with the club. They encouraged the members to enter the Rifle Club and reminded them of the Dress Revue. Mr. Schrader then gave a talk on the environment of Medina County.

The following were elected as new officers: Olga Orta, Girl Co-chairman; Stephanie Frazier, Secretary; Walt Elliott, Treasurer; Joyce Frazier, Reporter; Debbie McDonald and Bruce McMillan, Council Delegates; and Joey Hartley, Sergeant-at-Arms.

-Joyce Frazier

RALPH HAUGER presents a Salvation Army Award Certificate to Nancy [Mrs. Jim] Fridle for her efforts in leading the 1973 Salvation Army fund raising drive. This year was the most successful one ever in Hondo.

Nancy Fridle is most successful Salvation Army collector

Nancy Fridle, who served as Chairman of the most successful fund raising effort ever in Hondo for the Salvation Army, has received a citation of merit from Ralph Hauger, Service Unit Chairman for the Salvation Army in Hondo.

The proceeds of this fund raising drive will remain in Hondo to aid victims of disaster, stranded travelers and destitute persons in Medina County.

The Salvation Army conducted its drive in February of this year.

Mrs. Chas. Hanson laid to rest

Mrs. Charles B. (Ina J. Smith) Hanson, 74, of 402 McCauley, San Antonio, passed away Friday, April 27, 1973 after a lengthy illness.

Mrs. Hanson was born September 6, 1898 at Cotton Wood, Texas. She

was the daughter of the late Mr. and Mrs. Wiley Smith.

Mr. and Mrs. Hanson were married in 1920 at Yuma, Arizona.

Survivors include her husband and four sons—R. B. Hanson, Pecos, Texas, C. B. Hanson, Dallas, Bobby Lee Hanson, Pearlsall, and James N. Hanson of San Antonio; one daughter, Mrs. Othelda Means of San Antonio; 13 grandchildren and one great-grandson.

Mrs. Hanson had lived most of her married life in Southwest Texas. She, with her family, made her

home in the Natalia area prior to moving to San Antonio in 1951.

She was a member of the Pentecostal Holiness Church.

Graveside services were held Sunday afternoon at 2:00 in the Pearsall City Cemetery with Rev. Holman Cox officiating. Rev. and Mrs. Cox sang "In the Garden".

Pallbearers were Bob Hanson, Gary Wood, Harlan Hanson, Harold Jones, Grey Means and Jim Hanson.

Arrangements were by the Salmon-Jackson Funeral Home in Pearsall.

LIBRARY WORKSHOP HELD HERE . . . R. E. Getz, Field Consultant for the Texas State Library, was in Hondo Tuesday conducting an area seminar on library operation. Librarians from Boerne, Brackettville, Castroville, Comfort, Devine, Eagle Pass, Hondo, Junction and Utopia heard the lectures and discussions. Assisting in the workshop were members of the Junior Service League of Hondo, which has as its major project the support of the Hondo Public Library. Shown with Mr. Getz are Junior Service League members Martha Sue Keilman, Cindy Winkler and Linda Milam.

I'M HERE

Kenneth Charles Casey
Mr. and Mrs. Charles E. Casey of San Antonio announce the birth of their son, Kenneth Charles, born April 22, 1973 at Nix Memorial Hospital, San Antonio. He weighed eight pounds and ten ounces. He is welcomed by his brother, Patrick.

Grandparents are Mrs. Agnes L. Kelly of San Antonio, formerly of D'Hanis, and Mrs. Earl A. Casey of San Antonio. Great-grandparents are Mrs. Emil Nehr of D'Hanis and Mrs. Brilla Casey of San Angelo.

Mrs. Charles Casey is the former Frances Kelly of D'Hanis.

Baptism
Kenneth Charles Casey was baptized May 6, 1973 in St. Pius X Catholic Church, San Antonio, by Rev. Msgr. Albert V. Maneth. Godparents are Mr. and Mrs. Menno M. Hamm of San Antonio.

A barbecue supper was served following the ceremony at the home of Mr. and Mrs. Charles Casey.

Those present were Mrs. Agnes Kelly, Mrs. Earl A. Casey, Mr. and Mrs. Emil P. Kelly, Mr. and Mrs. Menno M. Hamm, Miss Theresa Nehr, Ricky Scott, Sean Scott and Patrick Casey.

Band sells well

Owl Band members Tuesday showed Hondo Lions Club members how to sell brooms, mops and other items sold in the annual Lions Broom Sale.

Total sales for the day reached \$1,429.40, according to Chairman Bill Green. And the Lions Club commission on this was \$371.64.

"And those Owl Band members beat the heck out of us," Green said. "They swarmed all over us in selling items throughout town."

Green expressed the appreciation of the entire Lions Club when he thanked the Owl Band students for their time and effort.

FFA applicants await degree checking

The Hondo FFA Chapter had 25 members attending the Area VII FFA Degree checking and the FFA Convention on May 4th and 5th. There were 18 boys applying for the State Farmer Degree.

After some corrections, all 18 applications were passed to State FFA Degree checking in June. Those applying for the State Farmer Degree included:

Kenny Weynand, Billy Bryant, John Rock, August Schueling, Bobby Tschirhart, Mike Johnson, Pat Stein, Steve Hanne-mann, Gary Saathoff, Jimmy Mumme, Gary Walch, Gary Zinsmeyer, Mike Saathoff, Fred Bad-er, Clyde Oefinger, Vince Gilliam, Greg Muennink and James Prescott.

The Area quota for State Farmer Degrees was 97 boys. There were 129 applications passed at Area Degree check. Three of the Hondo FFA boys are alternates.

Frank Aelvoet was an

applicant for the American Farmer Degree. The Area quota is five American Farmers—Frank was rated Third in the Area.

These American Farmer applications must be approved by the State Degree Checking committees and the National FFA office before these degrees are awarded. Frank Aelvoet was also a successful applicant for two FFA Foundation proficiency awards . . . in Soil & Water Management and in Crop Farming.

Billy Bryant and August Schueling were applicants for special Coop. Training awards. Schueling was applying Farm Employee and Bryant was an applicant for Farm Machinery Partsman.

Bryant won Second on the Area VII level and received a plaque for this winning. Billy's application was sent to the State Degree checking meeting.

FFA President Kenny Weynand was a successful applicant for two scholar-

ships in addition to his application for the State Farmer Degree. Kenny was selected as Area winner of The Red Davidson Scholarship Award and was one of two applicants from Area VII who will be interviewed for the Houston Fat Stock Show & Rodeo Scholarship Award. The Houston Fat Stock Show and Rodeo give ten \$4,000 college scholarships each year.

Alton Davis, local dairy farmer, was selected as an Area winner for non-teach-er Honorary State Farmer Degree. The State FFA Degree Checking Committee will pass on all of these at State Degree and Scholarship meeting in Waco June 4th, 5th and 6th.

Larry McWilliams was elected to serve as secretary of the Area VII FFA organization during the 1973-74 school year. He is serving as vice-president of the Revaldina FFA District and as vice-president of the Hondo FFA Chapter at this time.

Council pays down on maintainer

City Council members took another big bite out of Revenue Sharing funds Tuesday night when they gave final approval to paying \$14,500 from that fund on a new maintainer for the Street Department.

In fact, it was suggested, and might still be done, that the remaining \$11,500 owing on the new piece of equipment be paid from that fund. This question might be resolved at a special meeting called for 7:30 p.m. Tuesday, May 15.

However, the discussion on this item brought about the transfer of some \$20,000 to the city funds from the funds of the Hondo Development Corporation.

This amount is deposited at Medina Savings Association under that account and Councilman Hilmer Mueller moved that it be transferred to the city funds and the corporation be closed out.

But City Attorney Hugh Meyer said, "With-draw funds but do not

close out the corporation until all agreements are completed."

The Hondo Development Corporation was founded several years ago for the specific purpose of developing Colonies West subdivision, with builders purchasing lots from the Corporation.

That it accomplished its purpose is evident by the fact that the last 21 lots have been sold to Alamo Lumber Co. and Hondo Homes, Inc. and the area in West Hondo is now filled with houses.

Spray pecans now

The Pecan Nut Case-bearer is the number one pest in Medina County, says County Agent Glenn Bragg.

"Thus, it becomes a determining factor in producing pecans, whether from a few trees or in large groves," he said.

To effectively control the casebearer, it is necessary to provide thorough coverage of the insecticide on the nutlet clusters during the period when the majority of the eggs are hatching.

Eggs of the casebearers were found on trees in Medina County this week. The eggs usually hatch in four to five days after they are laid and migrate to the buds below the nuts to feed. In a day or two, larvae enter the nuts, usually at the base, and feed. They frequently destroy the entire cluster.

Spraying of casebearers in Medina County should begin Friday, May 11, and be concluded by Wednesday, May 16, if effective control is to be obtained,

said Bragg.

Insecticides recommended are Zolene, Guthion for commercial orchards, Malathion or Toxaphene. Sevin has been removed because it does not have a USDA clearance.

Growers should add three pounds of 78% zinc sulfate to the spray mixture to control rosette, a zinc deficiency which occurs in all trees in Medina County. A surfactant should be added for better coverage on the leaf.

Bryant uses FFA work training

Billy Bryant, son of Mr. and Mrs. Albert W. Bryant of Route 1, Hondo, was the Second Place winner on Area level for Coop. Training Farm Ma-

chinery Partman. Billy has worked for the past two years at Strait Equipment Co. in parts department as a part of Coop. Training Program.

He was one of the three Coop. Training students who applied for the State Farmer Degree with his work experience as a part of his State Farmer Degree application.

Billy is shown holding the FFA Foundation Award plaque he won for his work in Coop. Part-time Training. In the background is a storage room for oxygen and acetylene bottles. This storage room was built between the two ag shops by the Coop. Training Students last school year. Upon graduation from school in May, Billy plans to continue his work as partsman at Strait Equipment Co.

Six Flags Festival includes Hondo band

The Hondo High School Band will compete in the Six Flags Over Texas Band Festival on May 10-12.

They will be among 54 bands at the festival held annually at the Inn of Six Flags, near the Six Flags

Over Texas Amusement Park in Arlington. Bands are entered from all parts of Texas, as well as several other states.

To enter the competition, a band must have earned a I rating in UIL Concert contest for the

previous school year.

The Owl Band, having earned a Sweepstakes Award in 1972, is thus eligible and will compete in the Festival for the first time.

After performing several concert numbers, each band will be given either a I, II, or III rating by a three-judge panel. The panel consists this year of James Jorgenson, William E. Rhoads and Dr. Mark Hindsley.

Jorgenson is Professor of Music and Director of Bands at the University of Redlands, California. Rhoads is Director of Bands and Professor of Music at the University of New Mexico, and Hindsley is conductor of the Concert Band and Professor of Music at the University of Illinois.

Hondo will perform Friday, May 11, at 10 a.m. The band will compete against other AA bands only and an outstanding band will be chosen from each class at the close of the Festival.

Rev. Silverman receives Master of Divinity degree

Reverend Robert Silverman, former assistant pastor of St. John the Evangelist Church here in Hondo, is one of six students receiving the Master of Divinity Degree from Oblate College of the Southwest in San Antonio, Saturday, May 12, according to Fr. Robert Ferguson, OMI, Academic Dean of the College.

Father Silverman, currently associate pastor of St. Pius X. Church in San Antonio, is the first archdiocesan priest to receive the M. Div. Degree upon completion of the special program designed for ordained clergymen actively engaged in pastoral ministry. Fr. Silverman was ordained in 1967.

The Master of Divinity degree caps a three-year program of academic study and field work in preparation for Pastoral Ministry. This degree is similar to the basic degrees in the medical and legal professions.

The commencement exercises will take place at a special graduation Mass at Oblate College of the Southwest at 11 a.m. Rev. Patrick Guidon, OMI, President of the College, will preside over the Liturgy and Dr. John McMahon, retiring President of Our Lady of the Lake College in San Antonio and member of the Board of Trustees of

Oblate College, will deliver the commencement address.

This graduation marks the closing of the seventieth school year for Oblate College of the Southwest. The school was founded by the Oblate Fathers in 1903 as the San Antonio Philosophical and Theological Seminary. The name of the college was changed to De Mazenod Scholasticate when it moved to its present location on Oblate Drive in 1927, and in 1962

was renamed Oblate College of the Southwest.

Oblate College is accredited by the Southern Association of Colleges and Schools, and is an associate member of the American Association of Theological Schools.

The College serves as a Theological Seminary for the Archdiocese of San Antonio and other dioceses of Texas and New Mexico and for members of the Claretian, Holy Spirit, and Oblate Congregations.

Scouts sell

Members of St. John's Boy Scout Troop 219 will be conducting a door-to-door light bulb sale starting Saturday, May 12th. Purpose of this sale is to raise money for needed troop equipment. Offered will be two sizes of 130-volt "long life" bulbs--60-watt and 100-watt.

These bulbs will handle the increased voltage we have in Hondo and will last two to three times as long as regular bulbs.

Natalia's James Noland heads for state UIL competition

James Noland, son of Mr. and Mrs. Henry E. Birdsong of Natalia, advanced to the State level in the University Interscholastic League in the Informative Speaking Contest by placing first at the Regional IV Meet held in Victoria on Friday, April 13.

James, a junior of the Natalia High School, will compete in the State Meet in Austin on May 4.

Three other Natalia students won second place in their respective contests. They were: Shirley Smith in Girl's Informative Speaking, Debbie Little in Girls' Persuasive

Speaking, and Jeff Thompson in Boys' Poetry Interpretation. All four students were coached by their English teacher, Mrs. Jane C. Abell. DeWayne Redus also assisted the informative and persuasive speakers.

Other Natalia students participating at the Regional Meet were Mary Lou Rodriguez, spelling; Carl Gardner, science; Martha Barta, journalism; Gail Mays, ready writing; Joe Mark Redus, persuasive speaking; Olivia Tor-

res, shorthand; Gene Gentry, journalism; Cheryl Clark, poetry interpretation; Fidel Perez and Oscar Orta, debate; Bryan Pinner, Joe Hartley, Jim Noland, Jeff Thompson and Bruce Clark, golf team; Bobby Hernandez and Richard Sepulveda, track.

Other adults accompanying the students to regional were: Mrs. Kenneth Walker, Bill West, Mrs. Ed Richardson, Miss Cristina Sepulveda and Principal B. C. McDonald.

NOTICE

The County-wide Council Fire of the Medina County Council of Camp Fire Girls, scheduled to be held here, has been postponed, due to circumstances beyond the control of the directors.

Farm chemicals to be subject of meeting

Farm Chemicals will be the subject of a program to be presented to the Hondo Chapter of Young Farmers next Tuesday night, May 15, at Hondo High School.

Bill Plowman of Smith Chemical Company in Uvalde will be the featured speaker for the program which will begin at 8 p.m. in the vocational agricultural building. Plowman is expected to discuss the use and handling of many of the common chemicals used around the farm and ranch. All interested persons are invited to come

and hear this program.

Graduating seniors from Hondo's vocational agriculture classes will be special guests of the Young Farmers. Refreshments and a special treat will be served.

At a short business meeting following the program, the Young Farmers will make plans to attend a Tri-Area Young Farmers Field Day at Thrall on June 2nd. A tour of the Stiles Foundation Research Farm operated by Texas A&M University will be the highlight of the Field Day.

STATE POSTER WINNERS . . . These two students from Meyer Elementary School placed in the State Fire Prevention Poster Contest held this spring. Monte Bippert [right], son of Mrs. Gaye Bippert, won Third Place among Texas third graders for his poster. His teacher is Mrs. Mary Jo Schweers. Cynthia Lynn Batot [left], daughter of Mr. and Mrs. John Henry Batot, received Honorable Mention among first graders for her poster. Cynthia's teacher is Mrs. Billie Hatcher.

Crusade coming

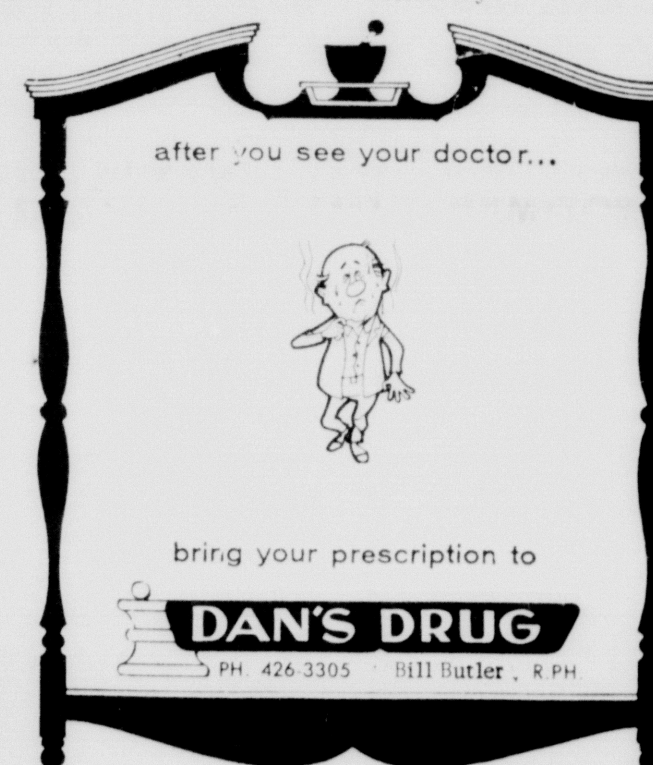

A unique Revival is coming to Hondo May 12 at the National Guard Armory. Its message, like that of any revival, is Salvation through Jesus Christ. But the message in the Mark Evans Country Crusade is taught through a tasteful blend of Scripture and Country and Western music.

Before he obtained his degree in Psychology and Divinity, Mark Evans was a popular country music star who had a couple of hit records, even a movie.

to his credit. "To inspire others to Christ, through a Country Music Revival", Evans created his Country Crusade, which brings to cities and small towns a free, non-denominational revival.

The revival starts at 8 p.m. in Hondo. It will also be held at Pearsall at the Wishing Well Club, also Saturday but from 3-5 p.m.

Sunday, the show will be presented in Uvalde at the Civic Center Auditorium beginning at 7:30 p.m.

Panthers, Wildcats vie for crown

The Medina Valley Panthers and the Carrizo Springs Wildcats both posted closing victories Tuesday and ended the season with identical 9-1 district records. The teams will probably play a one-game playoff and the game is tentatively set for Friday at a time and place not yet revealed at presstime.

The Panthers won their share of the crown with a

hard-fought 3-2 win over the Devine Warhorses.

Danielson picked up the win for the Orange while Outlaw took the loss for Devine. Glynn Tschirhart led the winners with two hits while Wayne Gann doubled for Devine.

The Carrizo team earned its cut of the champion-

ship by shutting out Pearsall 4-0 Tuesday night to also finish with a 9-1 slate.

Radio Station KRME will broadcast via a taped delay basis the playoff game and should the Panthers win, bi-district and regional games will also be broadcast.

Pro-Am this weekend

A Pro-Am Tournament is set for Saturday, May 12, at Hondo Golf Course, reports Pro Virgil Krenmueller.

A shotgun start at 2 p.m. will begin the event, which is limited to the first 72 players to sign up. Entry deadline of 12:30 p.m. Saturday, and the

entry fee will be \$5 plus green fee.

Entrants are asked to send handicap and fee to Krenmueller, c/o Hondo Golf Course, Hondo, Texas. Any questions about this and other tourneys can be answered by calling 426-8825.

Jackpot Roping

The Medina County Rodeo Association will sponsor Jackpot Roping in the Medina County arena in Hondo Saturday and Sunday, May 12 and 13.

The contest will allow eight calves for ropers, and prize money will go to the contestant with the best average time over the eight attempts.

Competition will begin at 10 a.m. Saturday.

LITTLE LEAGUE GETS UNDERWAY . . . Play began with a crack of the bat on Monday, with Major and Senior Leagues playing games in Hondo and D'Hanis. Tuesday, the Minors opened their season at Hondo's Little League Park. Weather was perfect for baseball and the kids [and parents, too] seemed excited.

BOTH BENCHES . . . were filled with anxious young baseball players as the 1973 Little League Season got underway.

Notice

Results of Hondo-D'Hanis Little League and Senior League games will be published in the Anvil Herald the Thursday following a week's play. For example, games played this week will be reported in next week's Anvil Herald.

While this in effect keeps game reports a week behind, there is no effective way to publish on Thursday the game scores of a playing week that extends through Friday. But all game scores will be reported, along with a schedule of games to be played the following week.

Jette to play in All-Star game

Paul Jette IV, quarterback of the Devine Warhorses, will be a member of the South Team for the 39th Annual Texas High School All-Star Football game on August 2nd, the Texas Interscholastic League office in Austin announced late Tuesday.

Jette will play in the quarterback slot as well as in the defensive backfield for the South Team. So far, he is the only area player announced.

Jette's father, Devine Head Coach, Paul III, was a member of the State All-Star Team in 1952, playing at the end position, representing Wink High School.

Owls drop final two games

The Hondo Owls took two more blows to the chin Friday and Tuesday ending their 1973 baseball season with a district record of 3-7 and a season slate of 10-17.

On Friday, co-leader Medina Valley and pitcher David DeCock allowed the Owls four hits to post a 6-0 shutout over Hondo. Just four days before, DeCock had tossed a no-hitter at the Owls.

Bobby Spears absorbed the loss for Hondo allowing only six hits by the Orangemen. However, Spears was plagued with control problems, walking

nine in the six innings he pitched.

Tuesday evening in Hondo it was another bad night as the lowly Cotulla Cowboys picked up their first season wins in a 6-5 victory over Hondo.

Juan Campos was the winning pitcher and James Prescott took the loss.

Despite a 5-2 lead going into the seventh inning thanks in part to a homerun by Gene McAnelly, the Owls allowed the first five Cowboys to reach base in the final frame, and the resulting four run rally spelled doom for the Owls' finale.

Eagles play in D'Hanis Sunday

The Hondo Eagles will travel to D'Hanis for a Hill Country League game against the D'Hanis Cardinals Sunday.

The game, set for 3 p.m., will match the two neighboring teams for the first time this season.

The Cardinals are still

even, 2-2 for the year after downing the Medina Valley 90's last Sunday. The Eagles are 1-2 for the year, losing to Kerrville Sunday by a single run, 7-6.

It should add up to a bang-up ball game one of only two games between the two old rivals in the 1973 season.

Cards down MV 90's

The D'Hanis Cardinals withstood a four-run rally in the ninth inning to defeat the Medina Valley 90's 8-7 Sunday in Castrovilla.

Walt Rothe was the winning pitcher for the Cardinals.

Losing pitcher was Bruce Groda, who was lifted in the third inning in favor of Maxie Groff.

Walt Rothe paced all hitters with a double and two singles in five appearances at bat. He was followed by John Zinsmeyer, Rusty Attaway, Chris Finger and John Bendele of the Cardinals with two hits apiece, and Greg Rothe and Chuck Burrell with one hit each. Medina Valley was paced by Bill Bippert, Greg Biediger and Jerry Burrell with two hits each, followed by Boehme, Tommy Ducos and Maxie Groff with one apiece.

There were three home runs hit in the game. The first came in the first inning as Rusty Attaway blasted a two-run homer over the left-field fence. It was answered in the bottom of the first by a two-run homer by Bill Bippert. Another Medina Valley round-tripper in the ninth was added by Boehme.

Eagles lose to Giants

The Hondo Eagles, playing a country League game in Kerrville against the Giants last Sunday, lost the game 7-6, and Coach Sonny Schmidt lost an argument in the process.

Two would-be home runs hit by Johnny Abrego and Gary Walch were ruled ground rule doubles by the playing rules of the Kerrville park and an ensuing argument saw the ejection from the game of an angered Schmidt.

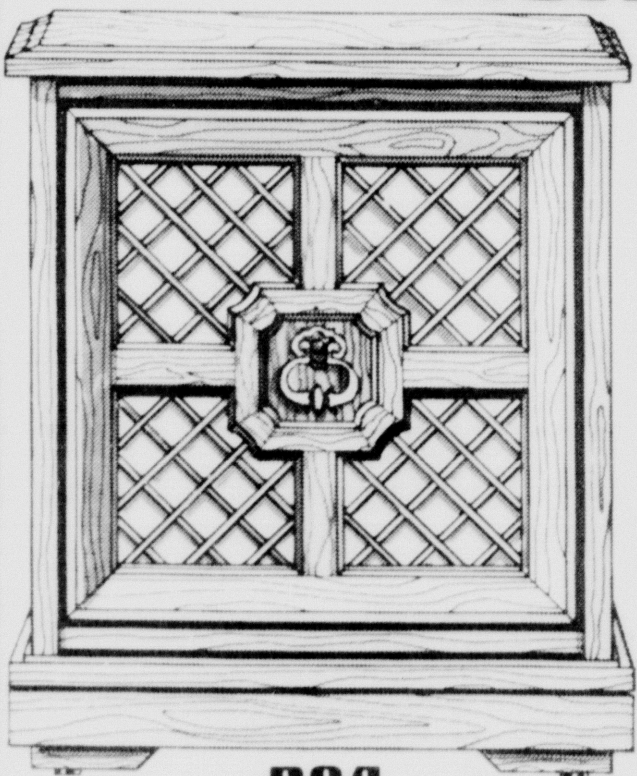

The Eagles had taken an early lead, but saw the lead diminished by the Giants. The final score gave Trinidad of the Eagles the victory and cost Ricky Powell a defeat.

The loss dropped the Eagles to a 1-2 record for the year with two rained-out games.

She'll never forget

Miss Zelma Saldana, Hammond, Ind., arrived Saturday night for a weekend visit with her grandparents, Mr. and Mrs. M. R. Saldana. She was honored Sunday afternoon with a bridal shower at her grandparents' home. Hostesses were Mrs. Saldana, Mrs. Willie Rodriguez, and Mrs. D. J. Saldana of San Antonio, Mrs. Gregg Chavira of Pearsall and Mrs. Richard Saldana. She is the bride-elect of Jim Donold-

son, who is now on a tour of duty with the U.S. Army in Germany. Miss Saldana, with her aunt Mrs. Connie Saldana and Ralph, were guests at the Natalia Baptist Church Sunday morning. The Natalia Girls Senior League Softball Team motored to Crystal City Saturday afternoon and played the Crystal City girls team. The score was 24-10, Natalia. The Natalia team journeyed to Pearsall Monday night to partici-

pate in the tournament and played the LaCoste girls and won 29-5. Miss Gilda Saldana is pitcher for the Natalia team. Richard Hernandez was confirmed Saturday April 28 at 9:30 a.m. at St. John Bosco Catholic Church, Natalia. Bishop Stephen A. Leven gave the sacrament of confirmation assisted by Father Michael A. Maertens and Father Wilfred Passchyn. Sponsor was David Long. After the confirmation service Rich-

ard's parents, Mr. and Mrs. Hector C. Hernandez, entertained with a chicken barbecue dinner at their home. Guests included the honoree and his brother Hector, Jr., Mr. and Mrs. David Long, David, Jr., Angie and Isaac, Mrs. Olga Contreras, Mr. and Mrs. Charles Brown, Mr. and Mrs. Joe Ortiz, Mrs. Joe Low, Louis, Victor and Liza, San Antonio, Mr. and Mrs. Lupe M. Galvan and Katherine.

Mr. and Mrs. Lyle D. Pugh attended graduation exercises of the Methodist Church Kindergarten Nursery School in Lytle Friday morning at 10:00. Their granddaughter, Brenda Burns, was one of the graduates. She received her degree in Bachelor of Nursery Rhymes. Brenda is the daughter of Mr. and Mrs. Jack Burns. Mrs. W. C. Loessberg serves as teacher for the school assisted by her daughter, Mrs. Jean Minton.

Mr. and Mrs. W. B. Day received word Sunday night that teenager Margaret Plummer of Lubbock passed away after having been afflicted all her life with a defective heart. Her mother is the former Frances Wilson of Natalia. Her grandmother is Mrs. Reginald E. (Clara) Lindsey, formerly of Natalia but now of Freeport.

Members of the Chacon Lake Baptist Church met at the church Saturday for a barbecue dinner and the group gave the church an outside facelift with a coat of paint.

Charles Tidball is recovering from a black widow spider bite he received when he put his glove on.

Mrs. W. S. Pruitt and Betty Marie made a trip to Uvalde Saturday to attend the District 4-H Roundup. While there, Mrs. Pruitt visited her aunt, Mrs. Joe Clark, and her former school chum, Mrs. Cecil Harper.

Reverend F. E. Turner had as his houseguest from Sunday afternoon until the following Sunday morning his sister, Mrs. N. E. McIntosh of League City. She was accompanied by her daughter and son-in-law, Mr. and Mrs. J. T. Wilson of Beaumont, who returned home Monday morning. Rev. Turner's brother and sister-in-law, Rev. and Mrs. O. E. Turner of Knoxville, Tenn. and Mr. and Mrs. W. T. Henrichson, San Antonio, came out Tuesday for the day. Rev. Turner remained and visited until Friday.

The W. B. Days, the Harold J. Joneses and the Hoyt Garners attended the 2 p.m. funeral in Pearsall Sunday of Mrs. Charles B. Hanson of San Antonio, who passed away Friday. Mrs. Genevieve Day and daughter, Mrs. Richard Jordan, Michael and Bryan of San Antonio motored to Mesquite Thursday morning and visited until Monday morning with Mrs. Day's granddaughter and family, the Michael Haars and Chad. Mrs. Day remained in San Antonio for a visit with the Jordans until Wednesday. Michael and Bryan accompanied her home for an overnight visit.

Sonny and Sandy Tidball and their uncle, Kenneth Tidball, and Brian Sullivan went to San Antonio Thursday for the night with Sonny and Sandy's parents, Mr. and Mrs. Charles Tidball. They accompanied the foursome to Mesquite for a visit with the Michael Haars and Chad and a sight-seeing trip to Six Flags. Mr. and Mrs. A. M. Mosley and Keith motored

to Burnet Saturday morning for the weekend with Mr. and Mrs. Percy Spencer, Susan and Diane. While there, Mr. Mosley and Keith enjoyed fishing at Inks Lake and they reported that fishing luck was poor.

Mr. and Mrs. Jim Griffin, formerly of San Antonio, are now at home in the trailer park in Natalia.

Mr. and Mrs. Glenn Roland, Glenda, Jimmy and Venay of Schertz spent Sunday afternoon with Mrs. Roland's mother, Mrs. Ann Powell.

Mrs. Willis Freeman and daughter, Mrs. Linda Walker and children, Tony and Deana of Midland visited Monday until Saturday morning dividing time with Mrs. Freeman's mother, Mrs. J. C. Bluhm in Devine, and her sister and family, the Jimmy C. Linehans, Brenda, Joe, Janice and Monty.

Mr. and Mrs. Harry Joe Simmons of Boerne visited Sunday evening with her parents, the O. O. O'Briens.

Mrs. Rosie Kale, Corpus Christi, arrived Saturday afternoon for the week with her sister and family, the Junior O. O. (Bill) O'Briens. She got acquainted with baby, Karen Colleen, who was born Saturday morning.

Miss Beth Lessing, student at Schriener College, Kerrville, and Miss Janet Lessing, student at SWTJC, Uvalde, came home Friday afternoon for the weekend with their parents, the Walter H. Lessings. Beth will receive an associate of arts degree on May 12 and Janet will graduate from the secretarial school on May 10. Beth will continue her studies at SWTJSU, San Marcos, for her bachelor degree in home economics.

Mr. and Mrs. W. M. Linthicum returned home Tuesday after having visited since Friday dividing time with their daughter and family, the V. W. Hedgpeiths at Vanquette and their granddaughter and husband, the Otis Grupes of Robstown, and Mr. Linthicum's sister and brother-in-law, the Noble O'Neals in Corpus Christi.

The Iven W. Thompsons enjoyed Sunday in Medina visiting Mrs. Goldie Carpenter.

Mrs. Johnnie Ernst had as her guest Tuesday Mrs. Myrtle Cole of San Antonio and her son and daughter-in-law, the Billy Coles, who were visiting from California.

Needle Club Meets

Members and guests of the Happy Valley Needle Club met May 2nd at 11 a.m. at Chacon Lake for their annual picnic and regular meeting in the afternoon.

Those attending the picnic were Mr. and Mrs. S. C. Culver, Mr. and Mrs. Iven W. Thompson, Mrs. Frank Neuman, Mrs. Ann Cummings, Mrs. Roy E. Allison, Mrs. John L. Kempf, Mrs. A. W. Bongers, Mrs. E. Moffett and Mrs. Kempf's sister, Mrs. Boyd H. Edwards of Pipe Creek. The group enjoyed a picnic lunch.

Mrs. Frank Neuman presided at the business meeting. Mrs. I. W. Thompson called the roll and read the minutes from the previous meeting.

The next meeting will be on Wednesday afternoon, May 16, from 2 to 4 in the banquet room of the Devine Bakery and Restaurant.
